NEW PERMANENT EXHIBITION

The Discovery Center of the Aulps Valley invites you, through innovative **fully translated** scenography, to immerse yourself in the heart of the middle ages where you will meet Cistercian monks and experience their everyday lives.

You will also discover the unique history of the destruction of the Aulps Abbey, which occupied monastic life for over 700 years up until 1793, as well as the secrets of medicinal plants.

The exhibition is the essential link which allows you to better discover the majestic ruins of the Aulps Abbey.

TEMPORARY EXHIBITION CONTEMPORARY ART IS TO TAKE ITS PLACE AT THE ABBEY

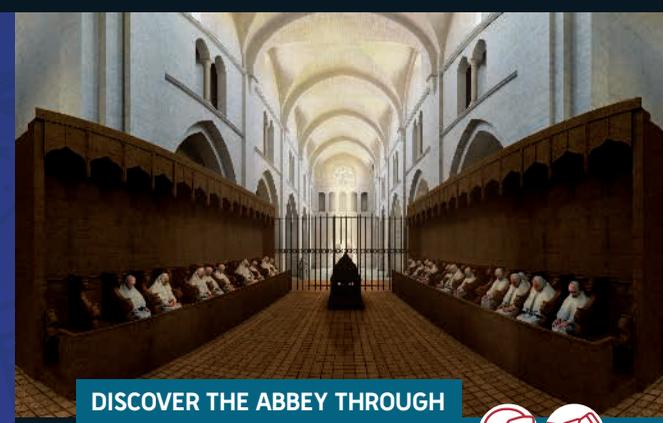

NEW

Lara Blanchard and Thomas Monin are showing their works of art from the 10th of April until the 31st of October 2021.

Thomas Monin

Animality, spirituality, the sacred and the world of the living are some of the themes explored by these two artists who have come together for the first time in the same place. *Lara Blanchard*
